MEMORANDUM FOR THE RECORD

SUBJECT: Administration Adoption of Statutory Benefits

1. This morning I asked Mr. Bannerman if he had read the General Counsel opinion on the subject. He said he had not but intended to do so immediately and said we would now have to decide how to put it into effect. I told him I had already talked to [REDACTED] and had prepared the memorandum for his signature to Col. White and had given the memo to Mr. Coffey last night. 25X1A

2. Mr. Bannerman asked me to get some background material for him to discuss with Col. White. Specifically he asked that he be given the best estimate of the number of persons who would retire in the next year under the Civil Service Retirement System and the best estimate of those who might elect to make a retirement move. He also wishes to have the average cost we have experienced in domestic retirement moves of retirees under the CIARDS.

3. I have asked Mr. Wattles for the estimates on the number of retirees and I have asked Mr. Bush for the average cost of domestic moves.
